Re: Certification pursuant to R299.9508  
Application for Renewal of Hazardous Waste Management Operating License  
Michigan Disposal Waste Treatment Plant (MDWTP) - MID 000 724 831

Dear Ms Scott:

I have reviewed with you and Mr. Corey Grider of US Ecology in person, the subject application. From my review and familiarity with the facility, the operating license and the subject rule, I believe and hereby certify that the facility is capable of disposing of hazardous waste in accordance with the operating license.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision according to a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

Please let me know if you have any questions or if I can be of further assistance. Thank you for retaining Abletech for these services.

Sincerely,

Michael A. Olson, P.E.

RE: Michigan Disposal, Inc.  
Waste Solidification Facility  
Certification of Construction in Accordance with Plans and Specifications

Dear Mr. Lusk:

This document is to certify that the Waste Solidification Facility on the above project was constructed in accordance with the approved plans and specifications and the design standards noted in our January 11, 1990 letter to you.

I certify under penalty of law that this document was prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

Sincerely,

David E. Navarre, P.E.  
Vice President
